: **Amateur Telescope Making (The Patrick Moore Practical Astronomy Series)**

ISBN : #1852330007 | Date : 1998-12-11

Description :

PDF-1f897 | This book provides an introduction to the design of a variety of telescopes, mounts, and drives suitable for the home- constructor. Projects include instruments that range from a shoestring budget to specialist devices that are not commercially available. The skill level of each project is indicated and advice is provided as to what is sensible to construct, given what is commercially available. Hi... *Amateur Telescope Making (The Patrick Moore Practical Astronomy Series)*
