Description :

PDF-bf855 | In 1801, the first complete mastodon skeleton was excavated in the Hudson River Valley, marking the climax of a century-long debate in America and Europe over the identity of a mysterious creature known as the American Incognitum. Long before the dinosaurs were discovered and the notion of geological time acquired currency, many citizens of the new republic believed this mythical beast to be a fer... *American Monster: How the Nation's First Prehistoric Creature Became a Symbol of National Identity*
