Description :

PDF-d6dc8 | North America's eastern half, roughly from the Midwest to the Atlantic, was once a great deciduous forest. Although centuries of human intervention have cleared much of the land, the timeless forest remains in the spirit of the place. Today, even the shortest period of human neglect allows for the resurgence of the process of forest creation. The greatest gardens --- and happiest gardeners --- in ... *The American Woodland Garden: Capturing the Spirit of the Deciduous Forest*
