Description :

PDF-fb05c | Adventurer turned environmentalist Robert Swan illuminates the perils facing the planet come 2041—the year when the international treaty protecting Antarctica is up for review—and the many steps that can be taken to avoid environmental calamity. In 1985, when Robert Swan walked across Antarctica, the fragile polar environment was not high in his mind. But upon his return, the earth's perilous... *Antarctica 2041: My Quest to Save the Earth's Last Wilderness*
