Description :

PDF-4b9e2 | This groundbreaking work is the first internationally published book to examine the link between a protein in the milk we drink and a range of serious illnesses, including heart disease, Type 1 diabetes, autism, and schizophrenia. These health problems are linked to a tiny protein fragment that is formed when we digest A1 beta-casein, a milk protein produced by many cows in the United States and n... *Devil in the Milk: Illness, Health and the Politics of A1 and A2 Milk*
