Description :

PDF-ee218 | The Great Lakes are a remarkable repository of millions of years of complex geological transformations and of a considerably shorter, crowded span of human history. Over the course of four summers, Thomas Shevory rode a bicycle along their shores, taking in the stories the lakes tell—of nature's grandeur and decay, of economic might and squandered promise, of exploration, colonization, migrati... *The Great Lakes at Ten Miles an Hour: One Cyclist's Journey along the Shores of the Inland Seas*
