Description :

PDF-c747e | One of the least intrusive and, in many cases, most rapid and effective ways to treat sleep disorders is through the use of hypnosis and hypnotic techniques. Yet, for a number of reasons, little is known by medical practitioners about their use and potential benefits. This book provides the reader with an overview of the treatment of sleep disorders. It focuses on a clear, yet full discussion of t... *Hypnosis in the Management of Sleep Disorders*
