Description :

PDF-902e5 | Robert Thayer brings the concepts and promises of the growing bioregional movement to a wide audience in a book that passionately urges us to discover "where we are" as an antidote to our rootless, stressful modern lives. LifePlace is a provocative meditation on bioregionalism and what it means to live, work, eat, and play in relation to naturally, rather than politically, defined areas. In it, Th... *LifePlace: Bioregional Thought and Practice*
