Description :

PDF-c6a62 | People with irritable bowel syndrome have chronic abdominal pain and discomfort, bloating, and disordered bowel habits. Understandably, they worry about their symptoms and how their lives are disrupted by IBS. And they are often frustrated because they cannot control their symptoms with dietary changes or over-the-counter medications. The contradictory advice they receive from friends and health c... *Making Sense of IBS: A Physician Answers Your Questions about Irritable Bowel Syndrome (A Johns Hopkins Press Health Book)*
