Description :

PDF-a31c4 | Being diagnosed with cancer is perhaps one of the worst things anyone has to deal with, as soon as you hear the word “cancer” you automatically think it's a death sentence, however it doesn't need to be and it should never have to be. Our bodies are amazing mechanisms which can self heal without the need for the toxicity of chemotherapy and/or radiotherapy that are used in conventional medicin... *My Way: Following the cancer brick road, from diagnosis to all clear naturally in 5 months...*
