ISBN : # | Date : 2016-11-06

Description :

PDF-16d91 | Any security provider will be perfectly willing to take your money, but how much value are they really providing? This is one industry that's notorious for unrealistic marketing and broken promises, all based on the myth that home security is somehow difficult and the technology too complex for the layman to comprehend. The author will not tell you how to install an alarm system or build a fence.... *Perspectives on Physical Security: The No-BS Guide for Home and Business Owners*
