Description :

PDF-19069 | Tendonitis, Carpal Tunnel Syndrome and Repetitive Stress Injury are specters haunting the life of every musician; they are career stoppers. It is unfortunate that the teaching of contemporary guitar rarely includes the basics of proper stance, posture or positioning of the arms, wrists and hands, even though this is the most basic foundation of technique! Most students tend to fixate on the left h... *1: Right Hand Technique for the Guitar Volume One*
