Description :

PDF-2b0d4 | The sun is setting on the Western world. Slowly but surely, the direction in which the world spins has reversed: where for the last five centuries the globe turned westward on its axis, it now turns to the east.... For centuries fame and fortune were to be found in the West - in the New World of the Americas. Today it is the East that calls out to those in search of adventure and riches. The regio... *The Silk Roads: A New History of the World*
